

Dear (TD's or Senator's name here)

I am writing to you as a member of (your representative body name here) and as a member of the Alliance for Insurance Reform, regarding the ongoing insurance crisis.

We joined the Alliance out of sheer frustration at the lack of action in the area of insurance reform. The Alliance now represents over 35,000 organisations with over 645,000 employees, 150,000 cooperative members and 41,000 volunteers sharing the same frustration.

There have been plenty of reports and promises of activity, particularly through the Cost of Insurance Working Group, but nothing is happening to bring premiums down. (Please insert a personal insight here regarding your insurance situation if you wish, otherwise delete this text).

I ask you (on my behalf and on behalf of our x employees) to please do everything you possibly can to give a sense of urgency to the work of the CIWG and demonstrate that you and your colleagues have the political will to drive insurance reform quickly for the sake of all of Irish society.

And please attend one of our 20-minute presentations on the crisis in the Leinster House Audio-Visual Room on Thursday 14th June between 10am and midday.

Yours sincerely,

---
